

**2017 Pat Romano Sr.
Memorial Golf Invitational
September 20, 2017**

A Lifetime of Giving

“There is nothing stronger than the heart of a volunteer”

Pat Romano, Sr. spent forty-five years dedicating his time to educating parents and the community about people with developmental disabilities. Pat assisted many parents in coping with their own child's disabilities and loved each of their children as if they were his own.

Pat founded the annual golf invitational in 1977, in order to raise funds to help out a few "kids" with developmental disabilities and their families in Sussex County, NJ. Last year, the 14th Annual Pat Romano, Sr. Memorial Golf Invitational raised over **\$277,000!** These contributions are integral in maintaining SCARC recreational activities and respite care for people with developmental disabilities, as well as guardianship services and pro se legal advocacy programs provided by SCARC Guardianship Services, Inc. **\$40,000 of the funds raised from this year's outing will go to The SCARC Foundation Endowment Fund which provides long term sustainability to all of the SCARC organizations.**

Although Pat never asked for recognition for what he had accomplished, we honor Pat's generosity, his indomitable spirit and deep compassion for people with developmental disabilities ~ his SCARC kids and their families.

You are giving back from your hearts to those in need and that is exactly what Pat Romano did everyday! Thank you for continuing the tradition Pat began so many years ago.

With Our Deepest Appreciation,

The SCARC Foundation Board of Trustees
